

## **U3A Treasurer's Report FOR 2022/2023**

See attached Financial Year End Report.

Due to covert U3A had a slow start in all senses.

Our membership dropped from **125** in 2018/19 to **89** in 2022/2023

In spite of the drop off we stayed financially stable ending the year with **R4665.69** in the bank and cash of **R 2904.71** (Most of which was made up of subs for 2023/2024).

The biggest increase has been the hire of the Library Auditorium. (**R35**)

### **Looking forward**

I feel that to be sustainable, we need to increase our membership to at least 130 members 160 would be great! So, I make the appeal, to each member to find new member.

We will have to consider a new projector in the near future.

Also, we will have to look into what amount we give to the speakers in appreciation of their time and imparted knowledge.

Philip Stunden  
Treasurer
