**LAST WORDS:**

**You.**

If every single person who has liked you in your time, were to light up on a map, it would create the most glitteringly beautiful network you could imagine. Throw in the strangers you've been kind to, the people you've made laugh or inspired along the way and that star-bright network of yours would be an impressive sight to behold. You're so much more than you think you are. You have done so much more than you realise. You're trailing a bright pathway that you don't even know about. What a thing. What a thing indeed.

Donna Ashworth.

See you at the Outings & the Meeting.  
God Bless. Lynda
