MEMBERSHIP BADGES

Please remember to wear your membership badge to all meetings and outings. It helps to differentiate between members and visitors and is also a great way of getting to know each other. It's also a good idea to write a contact's details on the back of your card in case of a mishap.

LOST MONEY

At our July meeting someone dropped some money at the auditorium entrance. If it is yours, please approach a committee member at the August meeting.

SELF-INTEREST GROUPS

Some of the principles on which U3A is built are:

- To refute the idea of intellectual decline with age and to recognise the immense resources of skills, experience and enthusiasm in older people no longer working full time
- As such, we should aim to be a university in the original sense of the word – a community of teachers and learners, sharing interests, with the emphasis not so much on teaching as giving the opportunity to learn from each other
- Knowledge is shared in small study and discussion groups, usually in each other's homes

Our U3A branch in Port Elizabeth is therefore not entirely fulfilling its mandate, and the committee would therefore, once again, encourage members who have a particular interest or hobby to offer to share their knowledge by forming a self-interest group. If you feel motivated to do this, please make contact with a committee member. Contact details are on at the top of the page.

CHARITY DONATIONS

Please continue to bring your unwanted goods to the meetings.

LAST WORD for over 65's

'Always stay up-to-date. Read the newspaper, watch the news. Go on line and read what people are saying. Make sure you have an active email account and try to use some of those social networks. You'll be surprised what old friends you'll meet. Keeping in touch with what is going on with the people you know is important at any age'
