COMMITTEE NEWS

Subsequent to the resignation of our chairman, Aubrey Bradfield, I made an appeal to members at our meeting on 27 February to either volunteer to join the committee or to assist the committee at meetings.

I'm pleased to say that one of our new members, Claire Blain has volunteered to man the visitors' table at our meetings. We are extremely grateful to Claire for offering our organisation her services.

HOWEVER, we still have no offers to set up our sound system at our meetings, and quite frankly, if we have no microphones we might as well not have a meeting, as half the auditorium will not be able to hear our speakers. According to Aubrey, this is not rocket science!

Therefore we appeal once more for assistance from our male members.

If you are able to assist us, please contact me on:

If we are not successful in securing assistance, we invite suggestions from our members regarding the future of our organisation.
