LAST WORDS:

Hope

If you only carry one thing throughout your entire life, let it be hope.
Let it be hope that better things are always ahead.
Let it be hope that you can get through even the toughest of times.
Let it be hope that you are stronger than any challenge that comes your way.
Let it be hope that you are exactly where you are meant to be right now, and that you are on the path to where you are meant to be...
Because during these times, hope will be the very thing that carries you through.
Nikki Banas.
