### **LAST WORDS.**

#### **Once Upon a Time.**

When Window was just a square hole in a room and  
Applications was something written on a paper.  
When Keyboard was a Piano and Mouse just an animal.  
Hard Drive Just an uncomfortable road trip.  
When Cut was done with a knife and Paste with glue  
When Web was a Spider's home and Virus was flu.  
When Apple and Blackberry were just fruits...  
That's when we had a lot of time for family and friends!

See you at the Outings & the Meeting.  
God Bless. Lynda
