### SELF-INTEREST GROUPS

One of the aims of U3A globally, is to promote self-interest groups run by the members. This means that if a member has a particular interest, they lead a self-interest group to share their expertise with members who share a similar interest, thus promoting an increase in knowledge.

We have tried to initiate this in the past, without much success, and are hopeful that this time round there will be members who are willing to volunteer their services.

At our next meeting there will be a list available for those who have an interest to offer, and a second list for suggested self-interest groups. Alternately, you can contact Lynda Connellan on 041-364 3038 or 082 421 3967.

We have already identified facilities to accommodate small groups and hope to make use of it soon!

### NEWTON PARK LIBRARY

Staff at the library have requested that we use the Pick 'n Pay parking area when attending meetings. Parking on the library grassed area is definitely not permitted as it obstructs vision of traffic.

### CHARITY DONATIONS – SANTA:

A reminder to drop off unwanted blankets and clothing at the meeting.

### **LAST WORD:**

*'The greatest mistake you can make in this life is to be continually fearing you will make one'*
